Office of Grants and Local Services

Habitat Conservation Fund

Anadromous Salmonids and Trout Habitat

Total Funded Projects: 21

Total Amount Funded: \$5,077,182

City of Carpinteria

Carpinteria Creek 2007/08 \$75,000

Replace foot bridge support system to enhance migration of steelhead trout.

Carpinteria Creek 2003/04 \$25,000

Replace foot bridge support system to enhance migration of steelhead trout.

City of Santa Rosa

Santa Rosa Creek 2000/01 \$250,000

Develop steelhead resting, rearing and spawning habitat at Santa Rosa Creek.

Santa Rosa Creek 2003/04 \$175,000

Develop and revegetate habitat for spawning of steelhead trout.

City of Vacaville

Pleasants Valley Encinosa Acquisition 2005/06 \$250,000

An acquisition project in the city of Vacaville to purchase of 60.39 acres for anadromous fish habitat that is adjacent to and including Encinosa Creek.

Ulati And Alamo/Laguna Creeks 1996/97 \$86,400

Restoration of Alamo/Laguna Creek and Ulati Creek to improve fish habitat.

Ulati Creek 1997/98 \$72,000

Fishery enhancement to include removing obstructions, creating riffles and runs and pools, and planting natives for habitat shading.

County of Los Angeles

Malibu Creek 2000/01 \$54,000

Remove Arundo donax from Malibu Creek from the mouth of the estuary to a point on the creek parallel to the confluence with Cold Creek, a distance of approximately five miles.

County of Napa

Napa River Salmonid Habitat Restoration: Rutherford
Install instream fish habitat structures and restore riparian vegetation along an approximately .76 mile subreach of the Napa River. \$400,000

County of Santa Barbara

Gaviota Creek Crossing 1994/95 \$102,000
Replace the existing ford crossing at Gaviota Creek to allow proper creek drainage and encourage spawning of steelhead/rainbow trout upstream.

East Bay Municipal Utility District

Mokelumne River Spawning Habit 2002/03 \$30,000
Restore spawning gravel for instream production of fall-run Chinook salmon and steelhead trout.

Mokelumne River 1993/94 \$33,282
Provide placement of gravel at strategic locations along the Mokelumne River to improve spawning grounds for anadromous fish.

Midpeninsula R.O.S.D.

Lobitos Creek/Irish Ridge Acquisition 2006/07 \$500,000
A project to acquire approximately 183.48 acres along Lobitos Creek and Irish Ridge.

Rapley Ranch Addition Acquisition 2005/06 \$500,000
An acquisition project in San Mateo County to include the purchase of the approximately 151 acre Rapley Ranch Property as an addition to Russian Ridge Open Space Preserve.

Tunitas Creek Property Acquisition 2002/03 \$462,500
Acquire approximately 708 acres of anadromous (steelhead) spawning creeks on Tunitas Creek

Soquel Creek Headwaters 2000/01 \$274,000
Acquire the 493-acre Loma Prieta Ranch as an addition to the 13,819 acre Sierra Azul Open Space Preserve. The Ranch contains the largest headwaters tributary of Soquel Creek.

Lobitos Creek Headwaters 2005/06 \$325,000
Acquisition of two inholdings totaling approximately 53 acres which include steelhead spawning habitat in upper Lobitos

Devil's Canyon 1994/95 \$325,000
Acquisition of approximately 180 acres as an addition to Long Ridge Open Space Preserve.

Lobitus Creek Headwaters	1997/98	\$420,500
<i>Acquisition of 481 acres as an addition to the Purisima Creek Redwoods Open Space Preserve.</i>		
Purisima Creek Rdw/Arroyo Leon	2008/09	\$217,500
<i>Acquire approximately 157 acres for anadramous steelhead stream and watershed.</i>		
Lobitos Ridge Addition to Purisima Creek Redwoods	2009/10	\$500,000
<i>Acquire approximately 600 acres adjacent to the Purisima Creek Redwoods Open Space Preserve.</i>		

Deer/Mountain Lion Habitat

Total Funded Projects: 36

Total Amount Funded: \$22,303,518

City of La Habra Heights

Davies Property 1998/99	\$201,000
<i>Acquisition of approximately 20 acres critical for habitat linkage across Hacienda Boulevard between Whittier and the Puente Hills.</i>	

City of Monrovia

Woodward & Leonard Properties 2001/02	\$195,000
<i>Land acquisition of approx. 80 acres of the Woodward and Leonard properties for wildlife protection.</i>	
Woodward And Leonard Project 2000/01	\$56,152
<i>Land acquisition of approx. 80 acres of the Woodward property and the Leonard property for wildlife protection.</i>	
Sachan Property Acquisition 2003/04	\$160,000
<i>Acquisition of approximately 20.7 acres of land for deer and mountail lion habitat.</i>	

City of San Luis Obispo

Johnson Ranch 2001/02	\$100,000
<i>Acquisition of Johnson Ranch</i>	

County of Contra Costa

Sky Ranch Acquisition 1998/99	\$225,000
<i>Acquire approximately 242 acres for deer and mountain lion habitat.</i>	

County of El Dorado

Henningsen-Lotus Park 1995/96	\$100,000
<i>Acquisition of approximately 11 acres of land on the South Fork of the American River for deer and lion habitat.</i>	

County of Los Angeles

Nicholas Canyon 2000/01	\$332,834
<i>Acquisition of a Conservation Easement on approximately 100 acres of the upper Nicholas Canyon Watershed.</i>	

County of Mono

Conway Ranch 1997/98	\$492,500
<i>Acquisition of approximately 312 acres of the 1,031 acre Conway Ranch project.</i>	

Conway Ranch	1998/99	\$100,000
<i>Acquire approximately 312 acres of deer habitat as part of the 1,031 acre Conway Ranch acquisition.</i>		
County of Riverside		
Acquire Deer and Mountain Lion Habitat	2007/08	\$150,000
<i>Acquisition Project to Acquire one parcel totaling approximately 20 acres in the County of Riverside.</i>		
County of San Diego		
Rutherford Ranch/Volcan Mountain Acquisition	2004/05	\$200,000
<i>This project will acquire approx. 75.39 acres of prime mountain lion and mule deer habitat in east/central San Diego County.</i>		
County of Santa Clara		
Jacques Ridge	1994/95	\$230,000
<i>Acquisition of approximately 900 acres at Jacques Ridge.</i>		
County of Solano		
Lynch Canyon (was King Ranch)	1990/91	\$1,083,500
<i>Acquisition of property within the same general area and offering similar public values as the King Ranch.</i>		
County of Yolo		
Otis Ranch	2001/02	\$122,000
<i>Land acquisition of 617 acres for the protection of wild life</i>		
East Bay R.P.D.		
Clayton Ranch	2000/01	\$200,000
<i>Acquire approximately 331 acres of oak/bay woodland and chaparral for wildlife protection at Clayton Ranch.</i>		
Sunol/Ohlone Wilderness	1994/95	\$256,000
<i>Acquisition of approximately 640 acres on Wauhab Ridge.</i>		
Las Trampas Corridor Acquisition	2003/04	\$250,990
<i>Acquisition of 670+- acres for deer and mountain lion habitat.</i>		
Tyler Ranch Property Acq. Pleasanton Ridge Reg. Pk	2009/10	\$300,000
<i>Acquire approximately 1,156 acres adjacent to Pleasanton Ridge Regional Park.</i>		
Midpeninsula R.O.S.D.		
Soquel Creek Headwaters	2001/02	\$226,000
<i>Acquisition of about 490 acres of Loma Prieta Ranch</i>		
Soda Springs	1995/96	\$212,500
<i>Acquisition of approximately 247 acres of habitat for deer and lion.</i>		

Jacques Ridge 1991/92	\$1,000,000
<i>Acquisition of approximately 900 acres of deer/lion habitat.</i>	
Monterey Co. Admin. Office	
Rancho Ventana 1995/96	\$290,000
<i>Acquisition of approximately 103 acres of habitat for deer and lion habitat, located on the uplands above the Big Sur Valley.</i>	
Monterey Peninsula R.P.D.	
Palo Corona Middle Ranch Acquisition 2008/09	\$1,500,000
<i>The acquisition of approximately 240 acres of the Palo Corona Middle Ranch.</i>	
Palo Corona Middle Ranch Acquisition 2007/08	\$1,500,000
<i>The acquisition of approximately 242 acres of of the Palo Corona Middle Ranch.</i>	
Palo Corona Middle Ranch Acquisition 2006/07	\$1,500,000
<i>The acquisition of approximately 242 acres of of the Palo Corona Middle Ranch.</i>	
Palo Corona Middle Ranch Acquisition 2005/06	\$1,500,000
<i>Acquisition of approximately 237 acres in Monterey County. This is the first of 7 parcels of the Palo Corona Middle Ranch to be acquired from the Big Sur Land Trust and Nature Conservancy over a 7 year period MPRPD is already in possession of the acreage. The total acreage to be acquired is approximately 1,800 acres. Title to the property will be transferred incrementally to the District as the parcels are</i>	
Veeder Ranch/Flavin Ranch 2004/05	\$1,477,500
<i>Acquisition of the approximately 82 acre Veeder Ranch and 622 acre Flavin Ranch.</i>	
Veeder Ranch Acquisition 2003/04	\$591,000
<i>Acquisition of approx. 80 acres at Veeder Ranch</i>	
Santa Lucia Mountain Range 1991/92	\$1,477,500
<i>Acquisition of Kahn Ranch, Sero, Wolters, Basseri and Condon/BSLT Properties.</i>	
Santa Lucia Mountain Range 1990/91	\$1,477,500
<i>Acquire property in the San Lucia Mt. Range to include Garland Ranch/Condon Property, Lange Property and Kahn Property.</i>	
Palo Corona Middle Ranch Acquisition 2009/10	\$1,500,000
<i>The acquisition of approximately 237 +/- acres of the Palo Corona Middle Ranch.</i>	
Palo Corona Middle Ranch Acquisition 2010/11	\$1,500,000
<i>The acquisition of approximately 237 +/- acres of the Palo Corona Middle Ranch.</i>	

Palo Corona Middle Ranch Acquisition	2011/12	\$1,500,000
<i>The acquisition of approximately 237 +/- acres of the Palo Corona Middle Ranch.</i>		

Rancho Simi R.P.D.

Santa Susana Pass	1995/96	\$46,286
<i>Acquisition of approximately 20+- acres of habitat for deer and lion, wildlife cooridor linking Los Padres and Los Angeles Forest areas within the Santa Monica Mountains.</i>		

Sonoma Co Ag & Open Space

Klesko Ranch Conservation Easement	2011/12	\$250,256
<i>Acquire approximately 769 acres of a conservation easement.</i>		

Rare, Endangered, Threatened or Fully Protected Species Habitat

Total Funded Projects: 23

Total Amount Funded: \$5,278,558

City of Coalinga

Pleasant Valley 1992/93 \$130,089
Acquisition of approximately 490 acres and 160 acres for kangaroo rat and kit fox habitat.

City of Fairfield

Lynch Canyon 1995/96 \$100,000
Acquisition of approximately 163 acres of habitat for rare and endangered species, along Napa-Solano County line at Lynch Canyon.

City of Laguna Beach

Laguna Laurel 1991/92 \$460,000
Acquisition of approximately 33 acres to protect a variety of wildlife and plant species as part of option #2

City of Monrovia

Woodward And Leonard Project 1998/99 \$40,625
The acquisition of approx. 80 acres of the Woodward property and the Leonard property for the protection of wildlife.

City of Palm Desert

Santa Rosa Mountains Acquisitn 1998/99 \$249,500
Acquisition of 124 +- acres for habitat species protection. The city acquired parcel 3A (59.48 acres); parcel 3B (63.93 acres) was acquired by BLM. See notes

City of Riverside

Sycamore Canyon 1992/93 \$172,000
Acquisition of approximately 40 acres to protect the Stephens Kangaroo Rat.

City of Whittier

Whittier Hills Park 1995/96 \$100,000
Acquisition of approximately 97 acres for rare and endangered species habitat.

County of El Dorado

Pine Hill Ecological Reserve 1995/96 \$100,000
Acquisition of approximately 17 acres of land to expand the Pine Hill Ecological Reserve for rare and endangered species habitat.

County of Los Angeles

La Sierra Canyon Sensitive Species	2005/06	\$2,475
<i>Acquire approx 30.75 acres that will protect rare, threatened, endangered, or fully protected wildlife species. APN 2058-010-007 & 012</i>		
La Sierra Canyon Sensitive Species	2004/05	\$297,525
<i>Acquire approx 30.75 acres that will protect rare, threatened, endangered, or fully protected wildlife species. APN 2058-010-007 & 012</i>		
Calabasas Peak	2001/02	\$300,000
<i>Land acquisition of approximately 190 acres of the Santa Monica Mountains property for wildlife protection. APN#s 4055-009-002, 4055-009-011, 4055-009-012, 4055-009-004.</i>		
Calabasas Peak -Tarweed	2000/01	\$300,000
<i>Acquisition of approximately 80 acres for protection of rare plant species. This acquisition is for APN#'s 4455-009-002, -011, -</i>		

County of Riverside

Wilson Valley Acquisition	2004/05	\$250,000
<i>Acquisition of approximately 166 acres in the Wilson Creek area, located in western Riverside County</i>		
Mystic Lake	1994/95	\$339,000
<i>Acquisition of approximately 70 acres to preserve habitat for the Stephens' Kangaroo Rat and other RTE species.</i>		

County of San Diego

Derbas Acquisition	2003/04	\$200,000
<i>Acquisition of 253+- acres for habitat and endangered species.</i>		
Sycamore Canyon Preserve North Acquisition	2011/12	\$200,000
<i>Acquire approximately 113 acres.</i>		

County of San Luis Obispo

BLM Acquisition	2005/06	\$156,434
<i>An acquisition project in the County of San Luis Obispo of two parcels totaling approximately 1,571 acres of Deer/Lion habitat.</i>		
Santa Margarita Lake Craggs	1994/95	\$169,035
<i>Acquire approximately 90 acres of the Santa Margarita Lake Craggs.</i>		

County of Santa Cruz

Sand Parkland Habitat	1997/98	\$492,500
<i>Acquisition of approximately 34.8 acres of high-quality sand parkland of the South Ridge of the Quail Hollow Quarry. State and federal endangered species exist on this biologically diverse natural area.</i>		

East Bay R.P.D.

Round Valley Preserve Acq.	1998/99	\$159,375
<i>Acquisition of approximately 47 acres to protect rare, threatened and endangered species.</i>		
Garin Ranch	1991/92	\$410,000
<i>Acquisition of approximately 100 acres of habitat for the Alameda Whipsnake.</i>		

Midpeninsula R.O.S.D.

Mills Creek Open Space	2000/01	\$150,000
<i>Acquisition of a 165-acre property and a 91-acre open space easement to create the Mills Creek Open Space Preserve for protection of rare, threatened or fully protected species.</i>		
Madonna Creek Uplands Acquisition	2007/08	\$500,000
<i>Acquisition of approximately 359 acres that contains Madonna Creek near Half Moon Bay, Ca, that will expand the Mills Creek Open Space Preserve.</i>		

Riparian Habitat

Total Funded Projects: 59

Total Amount Funded: \$6,128,003

City & County of San Francisco

Glen Canyon Park Creek Restoration 2008/09 \$157,000
Renovate Glen Canyon Park in the City of San Francisco to include creek restoration and removal of invasive species, reconstruction of two trail segments, repair of a sediment basin, dam and drain.

City of Carpinteria

Carpinteria Creek Riparian Restoration 2004/05 \$19,228
Restoration of Carpinteria Creek habitat.

City of Costa Mesa

Fairview Park Riparian Habitat Planting 2007/08 \$230,000
A development project to create 35 acres of wetlands in Fairview Park to include: planting native trees, grasses, and shrubs.

Fairview Park Wetlands and Riparian Habitat 2011/12 \$225,000
A project in the City of Costa Mesa to restore approximately 10 acres of riparian habitat in Fairview Park.

City of Davis

South Fork Preserve 1999/00 \$43,171
Restoration of 66 acres of riparian habitat along the easternmost section of Putah Creek.

City of Monrovia

Riparian Hab Pres Wright Prop. 2002/03 \$125,000
Acquisition of approximately 12 acres of riparian habitat.

City of Oakland

Lion Creek Restoration 2005/06 \$215,732
Excavate and create a natural creek bed, plant with native vegetation, build a footbridge, and landscape adjacent wetland area.

Lion Creek Restoration 2009/10 \$284,268
Excavate and create a natural creek bed, plant with native vegetation, build a footbridge, and landscape adjacent wetland area.

City of Redding

Churn Creek 1993/94 \$26,732
Acquisition of approximately 9 acres

City of Riverside

Sycamore Canyon Wilderness	1998/99	\$20,000
<i>Removal of non native species for riparian restoration.</i>		
Sycamore Canyon Acquisition	1993/94	\$172,000
<i>Acquisition of approximately 40 acres.</i>		

City of Sacramento

Jacinto Creek Park/Parkway	2004/05	\$89,000
<i>Riparian landscaping on 22-27'-high slope area on north side of Jacinto Creek, and at entrance to Jacinto Creek Park, and planting of low-water-use plantings and riparian shade trees along existing bikeway adjacent to the creek and connecting to the park.</i>		
Orchard Park Riparian Restoration	2005/06	\$75,000
<i>A development project in the City of Sacramento to restore approximately 2,800 linear feet of riparian corridor along the Natomas Main Canal by planting a multi-story vegetative cover of native grasses, bushes and trees.</i>		

City of Salinas

Cesar Chavez Community Park	2002/03	\$6,864
<i>Restoration of riparian habitat.</i>		
Cesar Chavez Community Park	1996/97	\$35,000
<i>Restoration of native habitat area to include planting native grasses, shrubs and trees.</i>		

City of San Diego

Balboa Pk Florida Canyon Riparian Restoration	2007/08	\$73,000
<i>A development project in the City of San Diego to include removing non-native vegetation along Chollas Creek west of Florida Drive between Morley Field Drive and Zoo Place in the Florida Canyon section of Balboa Park.</i>		
San Diego River/Kumeyaay Lake Riparian Restoration	2004/05	\$44,465
<i>Development project to remove non-native aquatic vegetation in Kumeyaay Lake, Mission Trails Regional Park, City of San</i>		
Tecolote Creek Riparian Restoration	2004/05	\$43,456
<i>Remove non-native vegetation and restore native plant species along Tecolote Creek.</i>		
Mission Trails Reg Park Cedar Fire Riparian Rest	2005/06	\$54,878
<i>A development project in the City of San Diego to include replacing burned fencing and plant 150 trees in riparian area along San Diego River in Mission Trails Regional Park.</i>		

Mission Trails 1995/96	\$49,700
<i>Removal of non native vegetation and replacement with native plantings for riparian habitat.</i>	
Tecolote Canyon 1995/96	\$16,565
<i>Removal of non native vegetation and replacement with native plantings for riparian habitat.</i>	
Los Penasquitos Canyon 1995/96	\$49,700
<i>Removal of non native vegetation and replacement with native plantings for riparian habitat.</i>	
Boden Canyon 1996/97	\$90,000
<i>Acquisition of up to 40 acres of Riparian corridor in Boden Canyon.</i>	
Marian Bear Memorial Park 1998/99	\$21,000
<i>Remove non-native vegetation and plant native plant material.</i>	
Rose Canyon Open Space Park 1998/99	\$21,000
<i>Remove non-native vegetation and replant with native material.</i>	
Chollas Creek Restoration Project 2010/11	\$49,525
<i>Remove non-native vegetation and plant native species in an approximately 500 linear feet (4.03 acres) section of Chollas Creek.</i>	
City of San Juan Capistrano	
Northwest Open Space Habitat Restoration Program 2010/11	\$100,000
<i>Restore approximately 7.37 acres of open space (approximately 1430 feet), including restoration activities at Trabuco Creek.</i>	
Middle Trabuco Creek 2011/12	\$99,925
<i>Restore approximately 5 acres of riparian habitat and install interpretive signage.</i>	
City of San Luis Obispo	
Bishop Peak Acquisition 1991/92	\$100,000
<i>Acquisition of 108 + acres, consisting of grassland, oak woodland, brushland, chaparral and rock outcrop habitat.</i>	
Filipponi Property Acquisition 1996/97	\$103,269
<i>Acquisition of approximately 75 acres for wildlife habitat conservation and restoration purposes.</i>	
City of San Pablo	
San Pablo Creek 2001/02	\$42,000
<i>San Pablo Creek Restoration at Kennedy Plaza Park</i>	

City of Santa Ana

McFadden Triangle Habitat Restoration	2007/08	\$75,000
<i>Enhancement of the McFadden Triangle by grading and installing of understory plantings, trees, walkways, trails, seating areas, interpretive signage, and an irrigation system to support additional riparian habitat at the site.</i>		
Santiago Creek Riparian Habitat Restoration	2005/06	\$50,000
<i>A development project in the city of Santa Ana to recreate the historic ecological conditions by restoring the habitat.</i>		
Centennial Park Waterfowl Sanctuary	2007/08	\$62,500
<i>A project to re-create ecological conditions conducive to the nesting of waterfowl currently at the site and attract additional species by removal of non-native and invasive species and planting of native wetland species.</i>		
Fisher Park Butterfly and Bird Habitat	2009/10	\$75,000
<i>Construct a bird and butterfly habitat by removing non-native vegetation and planting native plants and flowers along Santiago Creek.</i>		

City of Santa Barbara

Arroyo Burro Estuary & Mesa Creek Restoration	2005/06	\$200,000
<i>A development project in the City of Santa Barbara to include estuary and creek habitat restoration and expansion..</i>		

City of Santa Clarita

Santa Clarita Riparian Area	1992/93	\$282,620
<i>Acquisition of approximately 50 acres of raparian habitat along the Santa Clara River Corridor.</i>		

City of Sebastopol

Laguna Wetlands Preserve Riparian Habitat Restorat	2009/10	\$57,000
<i>Restore approximately 33 acres of riparian and oak woodland habitat and control non-native invasive plants within the Laguna Wetlands Preserve.</i>		

City of Sonoma

Nathanson Creek	1998/99	\$95,000
<i>Acquisition of land to preserve oak riparian habitat.</i>		

City of Vacaville

Ulati And Alamo/Laguna Creeks	1996/97	\$54,000
<i>Remove non native plants and replant with native riparian plants along Ulati Creek and Alamo/Laguna Creek.</i>		

City of Visalia		
Mill Creek Acquisition	2002/03	\$148,618
<i>Acquisition of 9 acres of riparian property along Mill Creek.</i>		
City of Walnut Creek		
Civic Park	1996/97	\$100,731
<i>Remove non-native vegetation, reduce erosion, provide native planting and habitat for fish & wildlife.</i>		
City of Whittier		
Whitter Hills	1995/96	\$100,000
<i>Acquisition of approximately 51 acres in Sycamore Canyon for riparian habitat protection.</i>		
City of Winters		
Putah Creek Nature Park	1996/97	\$100,000
<i>Remove exotic plants, plant native species, remove debris, repair and expand irrigation system, improve public access, buffers to insulate sensitive areas and acquisition of .44 acres</i>		
County of Lake		
Rodman Ranch	1995/96	\$112,000
<i>Acquisition of approximately 32 acres for riparian habitat.</i>		
County of Los Angeles		
Cold Creek	2001/02	\$250,107
<i>Land acquisition of approximately 450 acres of the Santa Monica Mountains for wildlife protection. Webber Property APN# 4455-021-041 and Yu Property APN #4455-018-035.</i>		
Cold Creek	1998/99	\$328,000
<i>Acquisition of 34 acres of undisturbed riparian habitat on the east-west corridor between Topanga State Park and Malibu Creek State Park.</i>		
County of Napa		
Sequoia Grove Riparian Habitat Restoration	2011/12	\$400,000
<i>Restore approximately 0.5 acres of riparian habitat (approximately 250 linear feet).</i>		
County of Orange		
Sulphur Creek	1995/96	\$75,000
<i>Replace concrete lined channel with natural looking dirt, boulders and plant three story riparian planting for riparian</i>		

County of Sacramento

American River Parkway Invasive Plant Mgmt 2005/06 \$100,000
A development project in the County of Sacramento to include the removal and control of non-native vegetation in approximately 490 acres of riparian habitat within the American River Parkway from Nimbus Dam to the confluence of the

County of San Diego

Hellhole Canyon Acquisition 2002/03 \$100,000
Acquisition of approximately 154.64 acres within the Hellhole Canyon Open Space Preserve.

County of San Luis Obispo

Wolf Acquisition 2001/02 \$20,100
Acquisition of approximately 60 acres known as the Wolf Property.

County of Santa Barbara

Jalama Creek Restoration 1998/99 \$7,500
Removal of non-native species and restoration of existing species; install interpretive signs and soft barriers to avoid intrusion.

County of Santa Clara

J.D. Grant County Park Wetlands Restoration 2004/05 \$103,049
Enhance and restore approximately 400 acres of riparian habitat along San Felipe Creek, within the boundaries of Joseph D. Grant County Park. The project will include riparian habitat protection from cattle and feral pigs, as well as restoration of the riparian corridor vegetation to enhance habitat and control erosion along the San Felipe Trail. This will be accomplished primarily by installing barbed wire and hog fencing to protect the riparian corridor and associated flood plains, re-vegetating areas impacted by past practices, removing non-native invasive plants, and controlling erosion and other outside impacts through installation of bio-technical structures(l.e. willow wattles, native material crib walls, and bank stabilization using native materials, etc.).

Grant Ranch Riparian Area 1992/93 \$91,000
Restoration of riparian area in Zone 2 of Grant Ranch.

County of Sonoma

Crane Creek Park Restoration 1993/94 \$20,000
Remove existing parking lot, regrade area, provide stream bank revegetation and riparian woodland restoration.

Moreno Valley CSD

Hidden Springs Riparian Area 1992/93 \$23,000

Restoration of approximately 4 acres of riparian corridor.

Hidden Springs-Riparian 1993/94 \$15,300

Riparian habitat restoration in flood control arroyos; approx. 6 acres.

Town of Mammoth Lakes

Mammoth Creek Riparian Area 1992/93 \$400,000

Acquisition of approximately 24 acres of riparian habitat along Mammoth Creek and Aspen Creek.

Trails

Total Funded Projects: 99

Total Amount Funded: \$8,045,290

Arden Manor R.P.D.

Jonas Larkspur Suburban	1993/94	\$3,500
<i>Develop Jonas Park Nature Area and conduct environmental education programs.</i>		

City & County of San Francisco

Twin Peaks Trail System Improvements	2011/12	\$131,041
<i>Reconstruct approximately 1,500 feet of existing trail and develop approximately 344 feet of new trail, with amenities.</i>		

Glen Canyon Creekside Loop Trail Improvements	2011/12	\$163,587
<i>Reconstruct approximately 8,500 feet of existing trail and develop approximately 100 feet of new trail, with amenities.</i>		

City of Anderson

South Volonte Park Trail	2002/03	\$30,541
<i>Construction of approximately .6 mile walking and bicycling trail around the perimeter of Volonte Park.</i>		

City of Brea

The Tracks at Brea	2011/12	\$200,000
<i>A project in the City of Brea to acquire approximately 3.9 acres between Brea Blvd and Brea Canyon Flood Channel.</i>		

City of Carmel-by-the-Sea

Del Mar and North Dunes trails	2011/12	\$72,000
<i>Construct approximately 600 feet of trail on east side of North Dunes and construct approximately 200 feet of boardwalk trail and viewing platform on Del Mar dunes.</i>		

City of Covina

Kahler Russel Park Trail	2000/01	\$175,000
<i>Development of a nature trail, signage, and foot bridges along approximately 2,100 linear feet of Charter Oak Wash.</i>		

City of Davis

Northstar Nature Trail	1994/95	\$23,800
<i>Development of a urban nature trail, approximately 1/3 of a mile long.</i>		

City of Encinitas

Trail Improvements	2002/03	\$31,000
<i>Improve approximately 2.85 miles of trails including informational signs, trail heads, fencing, and erosion control.</i>		

City of Escondido

Stanley Peak Trail Acquisition 2003/04 \$300,000
Acquisition of 103+- acres at Stanley Peak.

City of Eureka

Sequoia Park Hc Access Trail 1994/95 \$50,000
Development of approximately 3300 lineal feet of handicapped accessible trail and related amenities.

City of Folsom

Humbug-Willow Creek Trail 2000/01 \$157,000
Construct 3,000 linear feet of Class I trail, with bicycle/pedestrian bridge and a wildlife education/interpretive platform overlooking existing wetland and riparian habitat.

City of Fountain Valley

Historical Park 1996/97 \$40,000
Rehabilitate the trail at the nature preserve area.

City of Fresno

Woodward Park 1994/95 \$99,800
Develop multi-purpose trail approximately one mile long.
Woodward Park 1996/97 \$62,100
Bluff stabilization, native & drought planting, outdoor interpretive classroom, rest sites, drinking fountains & shade trees.
Woodward Park-Sanjoaquin River 1993/94 \$99,000
Construct a multipurpose trail at Woodward park.

City of Gardena

Willows Wetland Nature Center 1993/94 \$162,000
Develop a 3100 linear trail of decomposed granite with a bridge, benches, signs, observation areas, landscaping, entrance area, parking and related support facilities.

City of Glendale

Glendale Wilderness Education 1999/00 \$20,973
Development of a Wilderness Education Program.

City of Half Moon Bay

Pilarcitos Creek Trail 1999/00 \$60,300
Improvement of an approximately 3/4-mile segment of the Pilarcitos Creek Trail including planting, nesting boxes, interpretive signage and overlook platforms.

City of Lafayette

Sessions Road Trail	1996/97	\$10,000
<i>Develop a pedestrian/hiking trail approximately 800'. The trail will connect with East Bay RPD Lafayette Ridge Trail.</i>		
Lafayette Nature Trail	1993/94	\$8,000
<i>Develop approximately 3 miles of nature trail near Las Trampas Creek</i>		

City of Lodi

Lodi Lake Park Trails	1993/94	\$19,591
<i>Provide trail access and improvements along riparian areas, interpretive signage, information center and related support facilities at Lodi Lake Park.</i>		

City of Long Beach

West San Gabriel River Parkway	2008/09	\$222,725
<i>A development project in the City of Long Beach to include the restoration of approximately 9 acres of riparian habitat and creation of approximately 3,480 linear feet of pedestrian access trails along the San Gabriel River.</i>		

City of Los Angeles

White Point Nature Preserve	2002/03	\$96,000
<i>Develop approximately 2.5 miles of trails.</i>		
Runyon Canyon	1994/95	\$73,260
<i>Development of trail to link Rim of the Valley trail system with trails which connect with the park entrance.</i>		

City of Martinez

Martinez Marina Nature Trail	1993/94	\$33,000
<i>Trail improvements along the Marina Marsh Area including landscaping, interpretive signs and observation deck.</i>		

City of Millbrae

Spur Property Trail	1993/94	\$48,000
<i>Develop approximately 1 mile of multi-use trail</i>		

City of Modesto

Tuolumne River Regional Park Trail	2008/09	\$200,000
<i>A development project in the town of Modesto to build a 1,550 linear foot pedestrian connecting trail in the Tuolumne River Regional Park along with two pedestrian bridges.</i>		
Trees for Tots	2006/07	\$23,000
<i>An interpretive program to plant approximately 700 trees along the Tuolumne River.</i>		

City of Monrovia

Woodward And Leonard Project 1999/00 \$78,500
Land acquisition of approx. 80 acres of the Woodward property and the Leonard property for wildlife protection.

City of Newport Beach

Buck Gully Trail 2011/12 \$90,000
Construct an approximately 2.27 mile long trail (approximately .55 acres) with bridges and amenities and construct an approximately 1.05 mile long trail (approximately .25 acres) with bridges and amenities in the City of Newport Beach. The amenities will include gates, kiosks, interpretive panels and wayfinding signage.

City of Oakland

Lion Creek Restoration Project Phase II 2006/07 \$160,000
Construct approximately 700 ft trail and install a seating wall.
Lion Creek Restoration Project Phase II 2009/10 \$40,000
Construct approximately 700 ft trail and install a seating wall.

City of Ojai

Wild About Ojai Program 1999/00 \$19,351
Provide environmental education programs focusing on natural landscapes, wildlife and plants. Programs will be offered to the general public with emphasis on family oriented learning.

City of Pasadena

Arroyo Seco Interpretive Program 2006/07 \$70,000
The City of Pasadena will conduct an interpretive program, providing materials, signage, hikes, and work days.

City of Petaluma

Enhancement Of Petaluma Marsh 1993/94 \$70,000
Develop a trail head, parking, 2.15 miles of trail, interpretive signs, entry gate, fencing near riparian and marsh areas.

City of Rancho Palos Verdes

Portuguese Bend trail rehab. 2010/11 \$190,500
Restore approximately 71,280 LF of trail and amenities in the Portuguese Bend Reserve.

City of Riverbank

Jacob Myers Park Interpretation Program 2006/07 \$8,000
A development project to install 5 interpretive signs along approximately one mile of trail.

City of Roseville

City-Wide Trails	1999/00	\$46,500
<i>Provide new trail linkages to two existing trail segments and provide improvements to portions of existing trail segments within the same areas.</i>		
Mahany Park Trail	1998/99	\$54,280
<i>North/South bicycle and pedestrian linkage across Kaseberg Creek and interpretive trail.</i>		
Foothills Business Park Multi-use Trail	2009/10	\$135,000
<i>Construct a 1/4 mile long Class 1 multi-use trail with amenities.</i>		
Hughes Park Bridge and Bike Trail	2011/12	\$175,000
<i>Construct a pedestrian/bike bridge and approximately 2,030 feet of trail.</i>		

City of Sacramento

William Land Park Recreational Trail Completion	2005/06	\$122,000
<i>A development project in the City of Sacramento to include the construction of approximately 1.04 miles of decomposed granite trail along Sutterville Road and Freeport Boulevard to complete a 3-mile trail system around William Land Park, renovate six stations of a par exercise course, and make irrigation and curb alterations.</i>		
Robla Community Park Phase II	2003/04	\$63,535
<i>Construct approximately 1,500 linear feet of multi-use trail and an overlook, install benches, interpretive signage, and</i>		

City of San Diego

Miner's Ridge Trail	2000/01	\$20,000
<i>Rehabilitate the existing 2 mile hiking trail.</i>		
Trans County Trail Penasquitos	1997/98	\$52,000
<i>Develop a 1.6 mile, multiuse trail in the Los Penasquitos Canyon Preserve to link the the Trans-County Trail System.</i>		
Black Mtn. Park Program	2003/04	\$24,936
<i>Develop an interpretive program at Black Mountain Open Space Park and install interpretive signs.</i>		

City of San Jose

Los Gatos Creek Trail	2000/01	\$100,000
<i>Acquisition of land for 2/3 mile segment of the Los Gatos Creek Trail. Acquisition of trail between Lincoln Avenue and Auzerais Avenue.</i>		
Thompson Creek Reach 1A	2011/12	\$200,000
<i>Construct approximately 0.7 miles of trail.</i>		

City of San Marcos

Walnut Grove Park Phase III 2006/07 \$121,000
A development project to construct approximately 1,800 feet of trail.

City of San Pablo

Davis Park Footbridge 1999/00 \$30,000
Replace the footbridge over Wildcat Creek at Davis Park with a new pedestrian bridge.

Wildcat Creek Trail 1996/97 \$34,400
Acquisition of land for a trail corridor along Wildcat Creek, approximately 800'.

City of Santa Ana

Santiago Trailhead Enhancement 2006/07 \$72,423
A development project in the City of Santa Ana to develop a trailhead.

Santiago Park Bike Trail 1999/00 \$50,000
Develop a pedestrian/bicycle trail through Santiago Park.

City of Susanville

Susanville Rr Depot Trailhead 1993/94 \$54,000
Development of Trail staging area with parking, interpretive signage, landscaping, fencing, lightning, and benches.

City of Watsonville

Struve Slough Trail 1999/00 \$85,000
Develop a pedestrian/bicycling trail along Struve Slough.

City of West Covina

Galster Nature Program 2003/04 \$25,000
Develop a environmental nature program for youth.

City of Whittier

Whittier Hills 1994/95 \$15,000
Development of trail.

Contra Costa Water District

Lower Kellogg Creek Interpretive Riparian Trail 2009/10 \$154,750
Construct a 17,000 foot trail with an observation deck and minor site amenities.

County of Lake

Mt. Konocti Improvement Project 2010/11 \$80,000
Purchase and install two vault toilets and trail amenities on the Mount Konocti Trail.

County of Los Angeles

Cold Creek Trail	1997/98	\$187,500
<i>Acquisition of an easement covering 79.52 acres to create a 25 foot wide by 1.97 mile long trail that will connect to an existing county trail and provide a needed link to two state parks.</i>		
Lois Ewen Scenic Overlook	2003/04	\$73,000
<i>Construct a scenic overlook/trailhead at the Lois Ewen site on Saddle Peak Road in the County of Los Angeles</i>		

County of Orange

Caspers Interpretive Program	1996/97	\$70,000
<i>Development of interpretive programs and materials for Casper Regional Park, and interpretive displays for the visitor center and trail heads.</i>		
Upper Newport Bay Park	1993/94	\$121,000
<i>Develop multipurpose trail with interpretive nodes overlooking Ecological Reserve.</i>		

County of San Bernardino

En. Species & Habitat Education	1993/94	\$18,000
<i>Project will provide teacher workshops, lesson plan books, a local endangered species guide and family education activities to enhance the understanding of endangered species native to Southern California.</i>		

County of San Diego

San Pasqual Academy Outdoor Adventure Program	2005/06	\$37,327
<i>A development project in the County of San Diego to include outdoor recreational activities to foster youth ages 14 to 17 served by the County's San Pasqual Academy.</i>		
Junior Ranger Program	1996/97	\$58,356
<i>This program would extend the Junior Ranger day camp program hours, provide additional materials for the program and provide scholarships to low income families for five years</i>		
Park Pals Family Campout Progr	1996/97	\$19,000
<i>This program would purchase camping equipment and provide free camping for urban youths and their families at a different park each year.</i>		
Discovery Kits Program	1997/98	\$54,360
<i>Provide teacher training, environmental education materials to elementary school children and transportation for site visits to County Parks for the Discovery Kits Program.</i>		

Park Pals Family Campout	1997/98	\$6,000
<i>Four year program to rent 2 buses with drivers to transport participants of the Park Pals Program to Heise, Lake Morena and Sweetwater County Parks, and purchase a trailer to transport camping equipment.</i>		
Outdoor Adventure Program	2003/04	\$99,175
<i>Provide outdoor adventure programs for at-risk youth.</i>		
County of San Mateo		
Fitzgerald Marine Reserve	1993/94	\$3,000
<i>Development of Fitzgerald Marine Reserve Guide Book</i>		
County of Santa Barbara		
Foothill Rec. Trail & Habitat Enhancement	2006/07	\$32,001
<i>A development project in the County of Santa Barbara to restore approximately 7 acres of a closed landfill as an open space/recreation/wildlife area, install a pedestrian gate, improve and establish trails, install interpretive signs, and revegetate approximately 7 acres with native species.</i>		
Cachuma Lake Tour Boat	2005/06	\$20,000
<i>Acquisition of a tour boat for an education program at Lake Cachuma in Santa Barbara County.</i>		
Foothill Rec. Trail & Habitat Enhancement	2009/10	\$17,999
<i>A development project in the County of Santa Barbara to restore approximately 7 acres of a closed landfill as an open space/recreation/wildlife area, install a pedestrian gate, improve and establish trails, install interpretive signs, and revegetate approximately 7 acres with native species.</i>		
County of Santa Clara		
Jr. Ranger Program	1997/98	\$24,668
<i>Develop a Jr. Ranger Interpretive Program.</i>		
County of Sonoma		
Atascadero Marsh Trail	1999/00	\$90,000
<i>Construct a boardwalk trail with interpretive panels through the Atascadero Marsh Ecological Reserve.</i>		
Stillwater Cove Trail	1994/95	\$30,000
<i>Development of approximately one-mile recreational trail.</i>		
Doran Park	1996/97	\$50,000
<i>Construct an accessible boardwalk with observation decks , interp. displays, benches along the sand dunes and natural grasses on the bay side of Doran Beach.</i>		

Railroad Property	1993/94	\$100,000
<i>Acquire 1/2 mile of abandoned railroad right-of-way to connect existing Santa Rosa Creek Trail. Develop a trailhead at Sebastopol Road.</i>		
East Bay Municipal Utility District		
Mokelumne River	1993/94	\$58,728
<i>Construction of the first segment of the Mokelumne Coast to Crest Trail. Various trail amenities include bridges, signage, staging area, trail gates and support facilities.</i>		
East Bay R.P.D.		
Tehan Falls Acquisition	2006/07	\$200,000
<i>An acquisition project to acquire approximately 104 acres.</i>		
Las Trampas Reg. Wilderness/Chen Prop. Acq.	2005/06	\$200,000
<i>An acquisition project in the County of Contra Costa to acquire approximately the 228 acre Chen property to provide a link in the Calaveras Ridge Trail and the southeastern quadrant of the existing park, as well as a future staging area.</i>		
Del Valle Lakeside Trail	1993/94	\$100,000
<i>Development of a shoreline trail beginning at the north end of existing fire trail at Venados Group Camp, and extend north approximately 5.5 miles to dam.</i>		
El Dorado Irrigation Dist.		
Sly Park Bridge	1993/94	\$35,021
<i>This project is for the construction of bridge and interpretive</i>		
Fresno Metro Flood Control Dis		
Basin "D" Lake Park	1993/94	\$49,000
<i>Develop park facilities for the handicapped, including a sensory awareness maze and lake dock structures for observation of migratory birds and a one-of-a kind botanical classroom.</i>		
Hesperia R.P.D.		
Hesperia Lake: Trails	1993/94	\$25,000
<i>This project consists of developing trails, signage and interpretive programs.</i>		
Manila CSD		
Manilla Dunes Interp Deck	2003/04	\$33,518
<i>Construction of an observation deck and interpretative signage.</i>		
Midpeninsula R.O.S.D.		
Old Page Mill Road Trail	1996/97	\$49,000
<i>Acquisition of the lower portion of the Silva property totalling approximately 26 acres.</i>		

El Corte de Madera Creek Trails & Staging	2011/12	\$34,500
<i>Construct approximately 4,800 feet of trail at El Corte de Madera Creek in the City of Woodside.</i>		
Mission Trails Regional Park Foundation		
Mission Trails Regional Park	1990/91	\$886,500
<i>Interpretive center including amphitheatre, gardens, picnic areas and nature trails</i>		
North Tahoe P.U.D.		
North Tahoe Park	1993/94	\$15,000
<i>Development of a self-guided nature trail including brochures.</i>		
Padre Dam MWD		
Santee Lakes Recreational Preserve	2008/09	\$19,760
<i>A development project in the City of Santee to install trail signs and environmental signs throughout the Park. The total linear feet of trail the signs will be posted on will be 31,107 linear feet or 5.89 miles.</i>		
Floating Trails & Islands Project	2008/09	\$23,283
<i>Construct approximately 410 linear feet of trail at Santee Lakes Recreation Preserve in the City of Santee, clear invasive vegetation and replace with native species, install fencing, benches and interpretive signs.</i>		
Rancho Simi R.P.D.		
Oak Canyon Community Park	1993/94	\$65,000
<i>Develop hiking and nature trails, trailhead, picnic areas, and landscaping in Oak Canyon Community Park.</i>		
Stallion Springs CSD		
Comanche Narrative Trail	2003/04	\$25,000
<i>Develop an interpretive trail.</i>		
Sunrise R.P.D.		
C-Bar-C	1994/95	\$20,000
<i>Development of an interpretive trail, approximately 2/3 of a mile long.</i>		
Town of San Anselmo		
Sorich Ranch Park	1994/95	\$18,201
<i>Development of accessible trailhead, construct new trails, & trail improvements to connect trailhead to network of ridge trails.</i>		

Truckee-Donner R.P.D.

Truckee Nature Trail 1993/94

\$20,000

This project is phase II of a 0.8 mile looped nature trail that will include interpretive signage, kiosk, amphitheater, and plant material for describing the dominant and co-dominant plant species of the area.

Wetlands

Total Funded Projects: 41

Total Amount Funded: \$5,958,662

Bear River RPD

Echo Ranch Wetlands 1999/00 \$135,000
Acquisition of a 32 acre wetlands area.

City & County of San Francisco

India Basin Wetlands 1992/93 \$150,000
Restoration of wetlands at India Basin.

City of Aliso Viejo

Wood Canyon Emergent Wetland 2005/06 \$51,387
A development project in the city of Aliso Viejo to create an emergent wetland habitat on 1.2 acres.

City of Folsom

Humbug-Willow Creek Wetland 2004/05 \$20,711
Enhance/restore existing wetland along Humbug-Willow Creek adjacent to planned bicycle/pedestrian overcrossing. Remove non-native vegetation and re-establish native wetland/riparian vegetation.

City of Laguna Beach

Laguna Laurel 1995/96 \$195,000
Acquisition of wetlands habitat. Two parcels acquired, one parcel is 8.4, the other parcel is 21 acres. Both adjacent to Laguna Canyon Road.

Laguna Laurel 1993/94 \$200,000
Acquisition of approximately 38 acres of lake and wetland

City of Novato

Scottsdale Pond 2002/03 \$200,000
Restore and enhance habitat for resident and migratory wildlife, including pond excavation and creation of berm and habitat island, aeration system for fish, removal of invasive plants, and riparian and upland landscaping.

Scottsdale Marsh 1998/99 \$254,000
Removal of road to restore natural flushing of marsh, earthwork for channels, ponds and island, protective fencing, revegetation and irrigation.

City of Pinole

Bayfront Park Wetlands 1992/93 \$90,000
Restoration of approximately 2 acres of wetlands on San Pablo Bay.

City of Sacramento

Southside Park Lake Wetlands Restoration & Enhance 2008/09 \$200,000

A development project at the southwest portion of the City of Sacramento's Southside Park Lake to revegetate the lake with native wetland plants, control access, renovate fishing piers, improve water quality by removing invasive plants, replace and relocate fencing, upgrade fishing access points, construct new ADA accessible viewing/fishing areas, and replace existing signage.

Southside Lake Wetland Restoration Phase II 2007/08 \$99,342
Rehabilitate the west side of the wetland in Southside Park by replacing fencing, planting vegetation to stabilize the banks, add an ADA accessible fishing/viewing area, repairing fishing docks and replacing signage.

Southside Park Lake Rehabilitation 2004/05 \$83,750
Rehabilitate the lake in Southside Park by removing invasive plants and algae to improve fish habitat; replacing/rehabilitating fencing around lake; stabilizing north bank with natural wetland trees, shrubs and native grasses; and replacing public safety signage.

Robla Wetlands Enhancement 2009/10 \$56,000
A development project in the City of Sacramento to restore a 1.5-acre vernal pool by clearing the upland swale areas of non-native and invasive plants, planting native grasses, improving the grading and drainage on the periphery to allow the pool's hydrology to function more effectively, and planting native trees around the periphery of the site.

City of San Buenaventura

Seaside Wilderness Wetlands 1992/93 \$98,000
Restoration of wetlands at Seaside Wilderness Park.

City of Santa Ana

Cienega de las Ranas Habitat Restoration 2007/08 \$60,000
A project to restore four acres of wetland habitat within a 35 acre park.

City of Santa Barbara

Wilcox Property 1996/97 \$84,000
Acquisition of approximately 2.2 acres of wetlands on the Wilcox Property.

City of Santa Clarita

Santa Clarita Wetlands Area 1993/94 \$458,620
Acquisition of approximately 50 acres of wetlands habitat.

City of Vacaville

Alamo Creek Acquisition 2007/08 \$500,000
Acquisition of approximately 60-plus acres of wetlands adjacent to and including Alamo Creek.

County of Los Angeles

Wetlands of La Sierra 2004/05 \$299,999
Acquire approx 30.75 acres that will protect rare, threatened, endangered, or fully protected wildlife species. APN 2058-010-007 & 012

La Sierra Canyon & Wetlands 2002/03 \$204,382
Acquire approximately 29 acres of undisturbed wetlands and preserving wetland species. Acquiring two parcels of land. APN 2058-017-011 & 016 (29.01 acres). See also HE-19-008.

Zuniga Creek 2001/02 \$300,000
Land acquisition of willow riparian stringer, watershed, and willow/wetland habitat.

County of Orange

Talbert Nature Preserve 1998/99 \$91,720
Restore and enhance wetlands to include site preparation, irrigation, planting and interpretive signing.

County of Sacramento

Valensin Ranch 1996/97 \$400,000
Acquisition of approximately 294 acres of land.

Mather Lake 1998/99 \$39,567
installation of signboard kiosks, gathering area at each signboard kiosk, and installation of interpretive signs

County of San Diego

Otay River Regional Park 1996/97 \$238,000
Acquisition of parcels west of I-805 for the Otay Valley Regional Park.

County of San Mateo

Pillar Point Marsh 1993/94 \$218,478
Acquisition of approximately 35 acres.

County of Santa Clara

Joseph D. Grant County Park 2002/03 \$65,000
Restore and enhance fresh water wetland and its adjacent upland.

County of Trinity

Trinity Alps Industrial Park Wetlands 2004/05 \$46,294
Restore 5.5 acres of degraded wetlands with revegetation to establish a functioning wetland system typical of the area in an annual flood zone. Project in conjunction with U.S. Natural Resources Conservation Service Wetlands Reserve Program restoration.

East Bay R.P.D.

Big Break 1999/00 \$200,000
Acquire 668 acres at Big Break Regional Shoreline.
Porter Ranch 1995/96 \$225,000
Acquisition of approximately 980 acres of wetland habitat.
Oro Loma Marsh 1996/97 \$200,000
Restore tidal action to 364 acres at Oro Loma Marsh to provide waterfowl and shorebird habitat and enhance the salt marsh harvest mouse and Calif. clapper rail habitat.

Fair Oaks R.P.D.

Phoenix Park Vernal Pools Restoration 2005/06 \$28,936
A development project in the City of Fair Oaks to expand and restore Phoenix Park Vernal Pools by realigning the trail system to the periphery, replacing the DG trails with pervious concrete, restoring the dirt pathway to a natural state by planting native grasses, removing irrigation and turf that affects vernal pools, resolving drainage concerns at SE corner, restoring SE corner of vernal pools, modifying the post and cable system and constructing an accessible parking lot.
Phoenix Park Vernal Pools Restoration 2009/10 \$126,064
A development project in the City of Fair Oaks to expand and restore Phoenix Park Vernal Pools by realigning the trail system to the periphery, replacing the DG trails with pervious concrete, restoring the dirt pathway to a natural state by planting native grasses, removing irrigation and turf that affects vernal pools, resolving drainage concerns at SE corner, restoring SE corner of vernal pools, modifying the post and cable system and constructing an accessible parking lot.

Hesperia R.P.D.

Hesperia Lake: Wetlands	2002/03	\$20,000
<i>Development of the Wetlands Habitat Project located at Hesperia Lake.</i>		
Hesperia Lake: Wetlands	1993/94	\$42,500
<i>Development, enhancement and restoration of approximately 6 acres of wetlands.</i>		

Manila CSD

Manila Dunes Wetland Habitat	2004/05	\$48,912
<i>Removing invasive plant species and restoring native plants on 51 acres of coastal dunes located at the Manila Dune Recreation Area on Humboldt Bay.</i>		
Manila Dunes Wetland Habitat Restoration Project	2009/10	\$50,000
<i>A rehabilitation project to remove invasive plant species and restore native and endangered plant species in the Manila Dune Recreation Area located on the North Spit of Humboldt Bay.</i>		
Manila Dunes Wetland Habitat	2002/03	\$50,000
<i>Restoration of coastal dunes located at the Manila Dune Recreation Area on Humboldt Bay.</i>		
Manila Dunes Wetland	2001/02	\$50,000
<i>Coastal dune restoration at Manila Dunes Recreation Area.</i>		
Manila Dunes Wetland	1999/00	\$35,000
<i>Restoration of approximately 100 acres of degraded coastal dunes by removing exotic plants including European beachgrass, iceplant and bush lupine.</i>		

Midpeninsula R.O.S.D.

Pond DRO6 Repair	2010/11	\$43,000
<i>Improvements to an aquatic habitat.</i>		

Wildlife Area Activities

Total Funded Projects: 16

Total Amount Funded: \$1,373,052

City & County of San Francisco

Youth Stewardship Program 2010/11 \$165,000
An educational program in the City & County of San Francisco.

City of Fresno

Life & Environmental Science Program 2009/10 \$90,000
Life and Environmental Science Program at the Mosqueda Center, which includes a vehicle to transport participants to and from outdoor activities and field trips.

City of Glendale

"Walk on the Wild Side" Field Science/Nature Inter \$52,487
A Recreational program in the City of Glendale to provide socio-economically disadvantaged students with outdoor science and nature education experiences in the Deukmejian Wilderness

City of Los Angeles

White Point Nature Preserve program 2010/11 \$184,500
Conduct educational programs at White Point Nature Preserve.

City of Salinas

Creeks of Salinas to the Bay Program 2010/11 \$50,400
An educational program in the City of Salinas to train teachers to conduct classroom instruction and provide exploration field trips to local wildlife areas for students and residents. Non-capital outlay only.

City of Santa Ana

Santiago Park Nature Reserve Wilderness Resources 2008/09 \$100,000
A Recreational program project in the City of Santa Ana to provide urban youth with outdoor education experiences in the Santiago Park Nature Reserve, to include interpretive hikes, after-school programs, and weekend wilderness travel programs.

City of Vacaville

Experience Ecology 2008/09 \$18,875
Develop a Recreational environmental program in the City of Vacaville to encourage participants of all ages to explore the environment through workshops, guided hikes, classes, cleanups and a week-long camp at Lake Solano Park.

Contra Costa Water District

Vaquero Days Interpretive Program 2010/11 \$50,000
An educational program in the Contra Costa Water District.

County of Los Angeles

Journey Into the Wild Nature Education Program 2011/12 \$60,000
Provide interpretive educational activities at three county locations.

County of San Bernardino

North Etiwanda Preserve Wildlife Trail Education P 2009/10 \$100,000
An educational program to transport and educate school groups on the North Etiwanda Preserve.

County of San Diego

Outdoor Adventure Program- Lakeside & Spring Valley 2008/09 \$150,000
A Recreational Program in the County of San Diego to provide outdoor/educational program for youth ages 8-17 served by the Lakeside and Spring Valley Teen Centers, and the Fallbrook Community Center's 21st Century Community Learning Center After-School Program at La Paloma Elementary School.

East Bay R.P.D.

Coyote Hills Day Camps 2011/12 \$49,200
Conduct approximately 6 recreational day camps over three-year period, equating to approximately 2,100 camping days.

Fulton-El Camino R.P.D.

Teen Action Leadership Committee 2011/12 \$25,000
Conduct series of education and interpretive experiences through a series of activities in approximately 12 locations.

Hayward Area R.P.D.

"Explore Your Shore & Naturalist Mentorship" Progr 2009/10 \$31,190
Develop and implement an environmental education and naturalism program.

Inland Empire Utilities Agency

The Water Discovery Field Trip & Bussing Mini-Gran 2009/10 \$207,900

Education program including bus to transport participants.

Chino Creek Wetlands Earth Day Event 2010/11 \$38,500
Provide a program with outdoor education experiences to community and school groups at the Chino Creek Wetlands and Educational Park in the County of San Bernardino.
